## Weekly Bulletin - 28.3.2025

### Pirates v's Mermaids

The stage is set... The lines have been learnt... The songs are sounding AMAZING...

Year 3 & 4 parents, we cannot wait to welcome you into school on Monday 31st March to watch our performance of Pirates Vs Mermaids. Curtains up at 5:30pm.

### Year 5 Forest School

Year 5 have had a wonderful few weeks spending some time doing Forest School. They have shown incredible teamwork skills, kindness and resilience in all activities asked of them.

The children really enjoyed playing 'the floor is lava' and making their own slide/jump route from the trees. Well done, Year 5.

Mrs Harley can't wait to do it all again when you are in Year 6!

### Clothing Donations age 2, 3 & 4

Nursery are in need of spare items of clothing and would be very grateful of donations. Do you have: t-shirts, leggings, joggers, socks and pants that your child has grown out of but still have wear left in them that you could donate?

Please donate these directly to nursery.

Thank you

### Diary Date - Easter Bingo Thursday 10th April

We look forward to welcoming you to our PTFA Easter Bingo, lots of chocolate prizes. Poster attached on page 2.

### Sustainability - Football Boots Recycling

As part of our drive to be more sustainable, we now have a recycling point for football boots that still have life in them!

If your child has outgrown their boots, please consider sending them into school (after a little wipe please!), where they can be reused by someone else.

The recycling box can be found in the Year 4 classroom. Let's do our bit!
