Non-uniform Day

On Friday 12th June, there will be a non-uniform day in exchange for a gift for our popular Father's Day stall.

Father's Day Breakfast

Father's Day breakfast is due to take place on **Friday 19th June**. We are looking forward to welcoming all those special Dads, Grandads, Uncles, Brothers and other special people into school for breakfast.

Entry to school will be via the main office from 9am. Please drop your child off as normal, and then make your way round to the office.

National Clean Air Day

Thursday 18th June is National Clean Air Day and here in Staffordshire we are all doing our bit to improve the air quality around schools. Air Pollution is a problem around most urban schools in Staffordshire, but all schools will see pollution levels worsen at pick up and drop off times.

Please help us to keep the air quality around our school as clean as possible, avoid running your engine when parked and signing up for walking bus would really help with this.

Switch off when you drop off

When you drop kids off at our school, sitting with your engine running causes serious air-pollution.

It's a massive health hazard, and your children are more vulnerable than adults because they are still developing.

Switch off your engine!

Sports Day

Despite a few pessimistic forecasts, sports day went ahead on Tuesday and what a wonderful day we had.

The children had lots of opportunities to show our school values of **kindness, aspiration and especially resilience!**

They cheered each other on and even when things got tough, kept going to the finish line. The event was well supported, as always, by parents and the PTA provided some lovely refreshments. ASM, our coaching company, did an incredible job at organising the events, and we have shared a huge thank you with them for always making the day so memorable.

We know that many families were disappointed that we were unable to go ahead with the family picnic. We are looking into an alternative date and will communicate this once we have confirmed.
