Times Tables Rock Stars Day – Tuesday 10th November!

Get ready to rock your times tables!

Times Tables Rock Stars (TTRS) is an exciting online maths programme that we use to help children practise and improve their times tables through fun, fast-paced games.
On this day, we're inviting all children and staff to come dressed as rock stars! Think rockstar hair, sunglasses, bandanas and plenty of rock 'n' roll attitude!
We'll also be holding class battles on TTRS, so get practising those multiplication facts and get ready to battle it out for rockstar glory!
