Welcome back

Welcome back everybody! How lovely it has been to see all of the children looking so ready to learn in their smart uniforms. They have all come in with happy, smiling faces and excellent attitudes, ready to start learning for the new academic year.

The staff have been working away on the new 'SHINE' curriculum for all year groups. This will be available for you all to look at on the school website from next week. I'm sure your children will be happy to tell you all about what they have been learning about and what you can expect to be chatting about over tea for the next few weeks.

We have lots of exciting events planned for this term including a trip to Chester Zoo...details to follow.

There is still plenty of nearly new uniform to buy at a fraction of the cost it would be new. Please ask at the office or any of the staff if you would like anything.

Times are tough financially at the moment for everyone and we understand that our community at school is no different! If you are struggling with anything to do with school monies etc. PLEASE DO Come and see Mrs Hains and I can help. There is always a way to work it out. Thank you.

Swimming starts 21<sup>st</sup> September details to follow.
