

Downholland Haskayne CE Primary

Wednesday Weekly

10th September 2025. Issue 2

This week at Haskayne

On Tuesday our DIY day was a great team effort to make the outside of school look amazing. Our early years area is looking much improved and the children have already loved using the space.

Our report from OFSTED was released this week and reflects school. We are pleased with some of the findings in particular '**A safe and happy place to learn**', '**Pupils treat each other with thought and consideration**'. As we continue to work hard on improvements we are always welcoming of feedback or suggestions so please do get in touch.

After school clubs

Please can bookings be made in advance as this allows staffing to be organised
