Wednesday Weekly

Welcome to this week's Wednesday Weekly. What a wonderful week we have had in school and the weather has brightened up our mood around school.

Last Thursday we had a visit from safety Seymour who worked with all the children teaching about the importance of staying safe in the home and carbon monoxide. Each child was given a goody bag with a carbon monoxide detector in which hopefully the children can tell more about than it makes a loud noise if they press the button.

This week Reverend Susan led worship on Thursday, the children responded fantastically to the story she told and the questions asked. Next Tuesday will be the rearranged visit from the Bishop. After Bishop John's sudden retirement, Reverend Susan has been able to arrange for Reverend Geoff the former bishop of Lancaster to visit. This will be at 2pm on Tuesday 11th February, you are more than welcome to attend the confirmation session should you wish.

Next week will also be the last sessions for forest school and swimming. We will miss working with Rachel in forest school and Natalie and Amy at swimming. A big thank you to them all for their work with us this year.

The new Downholland Haskayne Facebook page [click here for link](#) is now up and running please do feel free to share and like this page. This is also linked to the school Instagram account which will have the same information on.

The last of our guitars has now sold and we are grateful that these have gone to good use. We do have an office printer that is no longer required, for sale. If this may be of any use to anyone please do contact Mrs. Winrow.

Parents evening is on **Monday 24th February 3:30-5pm**. Booking for this is on scopay. If you cannot make this date please do speak with the class teacher.

Enjoy the rest of the week.

Free school meals

If you believe you may be eligible for free school meals please do make an application. This allows your children to receive a free school meal but also contributes to school funds through government support. This allows school to ensure that all children are supported by excellent teachers and teaching assistants as well as access to resources.

Do have a look at eligibility by following the link below. If you have any questions, Mrs Winrow will be happy to help where she can.

Breakfast and After school club

Spaces available but please book these as far in advance as possible. This allows me to organise staffing which is often very difficult at short notice.

Lunch orders

Please can we ask that lunch choices are ordered online with your child to make sure the children are getting food they enjoy.

Any questions on this please ask.
