Wednesday Weekly

Welcome to the week's Wednesday Weekly, what a wonderful week it has been with Spring well and truly having sprung.

If you didn't get chance to complete the questionnaire that was handed out at parents evening please do see the link below and provide feedback. This feedback really helps us to better understand school and how we can further improve.

Tomorrow -World book day is Thursday 6th March in school we will be celebrating by completing looks of book themed activities. We are inviting children to come in either **pyjamas** for bed time stories or **to dress as their favourite book character**. Please do not go to any expense with costumes.

Red nose day is Friday 21st March for a donation (suggested £1 but as much as you like) we will be holding a red day with children encouraged to wear red for the day. All monies raised will go to Comic Relief.

This week we had a visit from Vicky for Dentaid who came to school to share top tips on dental care. I am really pleased with the children's response to the session, I think we might have the brightest smiles in Lancashire soon with how enthusiastic the children were about brushing their teeth.

This months Lancashire SEND newsletter can be found [here](#) there are some really useful links and resources on the newsletter.

Mrs Winrow continues to be off school while she gets better, we hope she is back with us soon. If you do need to speak with someone in school please do call school or email me. Get well soon Mrs Winrow

Enjoy the rest of the week

Free school meals

If you believe you may be eligible for free school meals please do make an application. This allows your children to receive a free school meal but also contributes to school funds through government support. This allows school to ensure that all children are supported by excellent teachers and teaching assistants as well as access to resources. Do have a look at eligibility by following the link below. If you have any questions, Mrs Winrow will be happy to help where she can.

Breakfast and After school club

Spaces available but please book these as far in advance as possible. This allows me to organise staffing which is often very difficult at short notice.

Lunch orders

Please can we ask that lunch choices are ordered online, this allows the kitchen at Hallsall to order and prepare the food choices. We don't have the option to alter these choices or prepare alternatives here. Making these choices will make sure the children are getting food they enjoy or have their own packed lunch that day.

Any questions on this please ask.
