26th November 2025. Issue 12

This week at Haskayne

The children enjoyed a great performance of the pantomime yesterday. They represented school brilliantly, seeing them enjoy the panto was a joy. Thank you to our friends at St Cuthbert's for inviting us along.

We say goodbye to Miss Procter this week, she has been with us for the last 6 weeks on her first placement from Edge Hill. Thank you for everything and good luck Miss Proctor

As the weather gets colder please can I ask that the children and yourselves do take care on the school grounds. I do grit the playground and paths however there may still be patches of ice, particularly first thing in a morning.
