

Downholland Haskayne CE Primary

Wednesday Weekly

28th January 2026. Issue 18

This week at Haskayne

Our children enjoyed and learned a lot from the fire service on their visits this week. Lots of valuable information and really inciteful questions and the highlight for many, seeing the fire engine and flashing lights.

Our webiste has had a bit of an update. You can find lots of useful information on there and the class pages will have information about what the children are learning.

This week both Mrs Edwards and Mr Roberts have their last day. They both have been greatly valued as they undertook teaching placements as part of their journey into teaching. Thank you so much to both of you.
