## Wednesday Weekly

4th February 2026. Issue 19

### This week at Haskayne

Plenty of hard work and learning has taken place this week. The children have been looking at our new values in worships this week. A focus upon equality and what this looks like.

The children have really enjoyed learning rugby skills in PE with tag rugby seeming to be a hit for many of our children.

Oak class have been experimenting with light and electricity in science creating circuits. Another way of letting their light shine.

### Start time

Just a reminder  
that school starts  
at 8:45 with the  
gates shutting at  
8:55

### Uniform

We still have a number of new  
uniform items in stock at a  
lower price than in the shops.  
Please see Mrs Winrow if  
interested

### School dinners

A number of our children are not enjoying the school lunch choice they are getting in school, many are preferring the other option on certain days. Please can I ask you do go over the menu choices with your child to ensure they are getting a meal they will eat. Please could we also ask that packed lunches are as healthy as possible with fruits, vegetables and yoghurts etc preferred to sugary snacks.
