

Downholland Haskayne CE Primary

Wednesday Weekly

8th October 2025. Issue 6

This week at Haskayne

The children have enjoyed their time outside this week enjoying the autumnal weather and especially enjoying the leaves falling from the trees.

Preparations for harvest celebration are well underway, we look forward to seeing you at **2:30pm on Monday**. As part of this we are collecting items for the Ormskirk foodbank, we ask that the children bring any tins, or packets of dry food they can.

I have enjoyed showing many families around school over the last few weeks. Do keep recommending us, we still have spaces for school and nursery.

Teddy bear's day in school.

Children are invited to bring a (small) teddy bear into school on Monday as part of Acorn class's English work. This is open to all children.
