MEMORANDUM OF

DOWNHOLLAND HASKAYNE CE PRIMARY SCHOOL

Memorandum of Understanding for the Provision of Flexi-Schooling

At Downholland Haskayne CE Primary School we recognise that parents/carers may choose other ways for their child to engage in very effective, full-time, and suitable education. We firmly believe that our flexi-schooling provision can be an arrangement that is beneficial to all. This agreement strives to see continuity of care and safeguarding between the school and home educating parents/carers as being of utmost importance for your child's well-being, development and progress. We actively encourage regular dialogue between ourselves and parents/carers.

Fundamental aspects of this agreement are that:

- Parents uphold the school's values, ethos, policies and practices.
- Parents regularly share their child's learning experiences with us. This can take the form of learning plans, learning journals, teacher and parent meetings, telephone and email communications

We expect that parents/carers will share with us any issues or concerns arising either at school or with the home educating element of this agreement that may affect their child's education or well-being. Please let us know if your child has any additional needs in order for us to arrange any necessary provision.

This document should be read in conjunction with our Flexi-Schooling Policy and is required to be completed in full.

Flexi-schooling must not be confused with elective home education. Parents / carers have a legal right to choose to home educate their child, but parents / carers **do not** have a legal right to insist on a Flexi-schooling arrangement being agreed by our school.

Whilst a parent / carer may request that their child is Flexi-schooled it is entirely at the sole discretion of our Headteacher, as to whether or not Haskayne is prepared to agree to a Flexi-schooling arrangement, there is no right of appeal to Governors or higher authority if the proposal is declined on application, or rescinded at a later date.

You can if you wish, withdraw from the option of flexi-schooling for any reason without challenge. We reserve the right to also withdraw from a Flexi-schooling arrangement if it is felt that what we offer is not suited to you or your child's needs.

Each request to Flexi-school will be considered on its own merits and within its individual context.

Parents can expect to meet with the class teacher (and if required the Headteacher) at least once every half-term to review your child's progress and review the attendance agreement if required.

Flexi-School: *Safeguarding and Child Protection*

Part 4 – Core Requirement

Name of Child: _____

Name of Parent(s) / Carer(s): _____

As part of the Flexi-Schooling arrangement, it is a key requirement that we can satisfy the Safeguarding and Child Protection requirements of Ofsted, DfE and local Safeguarding boards. Therefore parents / carers will be required to accept visits from a nominated member of the school staff. This member of staff would normally be our Headteacher, who carries the ultimate responsibility for agreeing to the Flexi-Schooling provision, this could however be delegated if required.

The visit will focus on all aspects of the home or third-party environment, covering all areas of the educational provision available, through to safeguarding and child protection including concerns if raised.

Our home visits may be time-tabled for at least once every year, or more frequently, if for any reason a child has not attended school for the minimum requirement.

In addition parents can request further home visits by our staff.

Unexplained Absence

In the event that we are unable to contact with you as parents, or you refuse contact / attendance when requested, the Flexi-schooling agreement will cease, the named child will be removed from the school roll and your Local Authority will be notified of our actions and / or concern(s).

Please note that we are legally obligated to report any issue of Child Safeguarding / Protection and Welfare.
