FLEXI-SCHOOL POLICY

Downholland Haskayne CE Primary School Flexi- Schooling Policy

Pre-amble

Here at Haskayne, we recognise the right of parents to choose a suitable and personalised education for their child according to the child's dispositions and needs coupled with the families' beliefs and values.

We welcome all children irrespective of need, background or belief to our school, and we firmly believe that our Flexi-schooling provision can be an arrangement which is beneficial to all.

Our Flexi-schooling provision is predominately aimed at children who are or have been **Elective Home Educated** (EHE). We will, however, also consider requests from parents whose children are finding formal education in their current setting a challenge that is likely to lead them to school refuse.

In all circumstances, each application is considered on a case by case basis, even within the same family.

Prospective parents need to be fully aware that we will not consider any requests for a Flexi-schooling place from them if their child has been excluded or expelled. However, this would not prevent you applying for a normal place.

It is important that prospective parents are aware that schools/academies are not required by law to provide or offer Flexi-schooling. When such offers are made each place at Downholland Haskayne CE Primary School is granted at the sole discretion of our Headteacher – there are no rights of appeal to Governors, Trustees, LA, DfE or through the legal system if this provision is declined, varied by the school, or revoked.

If a situation occurs where the Flexi-schooling arrangement is varied or revoked, then those children subject to the signed Flexi-school Memorandum of Understanding (MoU), would be required to attend for additional days if requested or in some cases full-time. If a parent disagrees with this, they are free to take their child or children to another school or to de-register and return the EHE. If a parent elects to de-register, then we are legally required to inform the relevant Local Authority of the de-registration and pass records on to that authority so that they can effectively liaise with the family.

Key Points to Note

It is important for parents to note the following statement provided by the Department for Education (DfE);

'Where parents choose not to have their child educated by full-time attendance at school, then they are responsible for the whole of their child's education.'

DfE 2018

It is also worth noting that in any instance the Education Act clearly states that parents are responsible for the education of their children – this applies to all parents in all circumstances and applies to the delivery of an appropriate education be that by the parent or through the state or independent sectors including individuals

- ***Flexi-schooling is a legal option provided that our Headteacher agrees to the arrangement, this arrangement can be amended or withdrawn without challenge.***
- ***We are more than willing to accept children with an EHCP, on the understanding that they required to attend on a full-time basis. Thereby ensuring that we can meet any Statutory Duties the EHCP places on our school, regarding its commitment to the child, extending to the appointment of key staff dedicated to the child and to ensure that 'Best Value' is achieved.***
- ***We will not automatically offer Flexi-Schooling to children with an EHCP (Education Health and Care Plan - Former Statement of Educational Need) that comes with prescribed hours and funding attached unless clear guidance is issued in writing by the commissioning Authority giving clear permission for such an arrangement.***
- ***This approach will also apply to children who currently attend on a Flexi-schooling basis and are found to need the support of an EHCP.***
- ***Parents should be aware that Flexi-schooling is not to be taken as a means to avoid education or to avoid expulsion, and we will not accept any children on Flexi-schooling arrangements who have been expelled. If a parent misleads our Headteacher in this matter and a past exclusion is uncovered, the flexi-school arrangement will be automatically revoked, and the child in question will be required to attend on a full-time formal basis. In such circumstances, the parents and the child in question will be subject to current statutory expectations relating to Attendance etc.***

What is Flexi-schooling?

Flexi-schooling or flexible school attendance is an arrangement between the parent and the school where the child is registered at school and attends our school for at least '3 consecutive Core Days'; the rest of the time the child is home educated (on authorised absence from school). This arrangement is an open-ended offer. However, the terms of this arrangement can be varied over and above the core days, or withdrawn if our Headteacher decides to do so, and decisions in this regard are not open to challenge.

Flexi-schooling is a legal option provided that our Headteacher agrees to the arrangement. The child will be required to follow the National Curriculum whilst at school but not whilst they are being educated at home'.

There is no statutory curriculum for the home education element of our flexi-schooling arrangement. None the less we promote without pressure the opportunities the partnership flexi-schooling brings - and from that, we hope that this partnership will develop in a manner that is mutually beneficial to all parties.

All teaching and learning offered on the core days reflects our curriculum policies as offered to children who attend on a formal basis. This policy and our other school policies do not seek to prescribe how children should be taught at home for the home education element of the Flexi-schooling arrangement.

We would encourage parents to review our Curriculum, Safeguarding and Child Protection policies, along with our Risk Management, Health, Safety & Welfare policies and use them as a guide to support their own approaches to ensure we are working together. A list of

Our Principles of Flexi-schooling

We see Flexi-schooling as;

- a process of co-operative teamwork, within which we welcome and encourage the involvement of parents in the education of their children

Within which;

- we treat all children fairly and give them equal opportunity to take part in class activities
- we treat all children with kindness and respect
- we praise all children for their efforts and, by so doing, we help to build positive attitudes towards our school and learning in general
- our teachers apply our policies with regard to discipline and classroom management
- teaching staff make clear the class expectations
- all children are expected to comply with the rules that are in place to promote the best learning atmosphere for all
- we insist on good order and behaviour at all times
- children who misbehave will be managed fairly within the guidelines for sanctions as outlined in our school Behaviour Policy
- We conduct all our teaching in an atmosphere of trust and respect for all.

Aims

Being a small rural school affords us the ability to offer some opportunities not readily offered elsewhere – Flexi-Schooling is one of these opportunities that work well in our unique small school rural environment.

We believe that people learn in many different ways and we endeavour to provide a rich and varied learning environment that allows children to develop their skills and abilities to their full potential.

We believe all children are important and from that we tailor our teaching and learning suited to the needs of each child, to ensure they develop at their own pace, with access to any level of education irrespective of their age.

Flexi-schooled pupils also indirectly expand what we can offer to our regular pupils, encouraging them to focus on the benefits of learning after normal hours at home and thereby enhance their opportunities also.

Summarised - these points are what we offer all pupils;

- a more flexible approach to education that encompasses and supports all children
- access to a happy, stimulating, secure and safe environment both in school and at home that offers all children an equal opportunity to develop their abilities and personalities, helping to unlock their potential
- access to the bank of knowledge, skills, concepts, attitudes, and values of our broad and balanced curriculum. This fosters a lifelong love of learning, in a shared environment where pupils, parents and teachers can effectively work together, enhancing the education provision for all.
- the opportunity for our children to share a healthy respect for personal choice and a clear understanding and acceptance of others and their ideals
- the opportunity to develop a responsible and independent attitude towards learning

Attendance Options

We offer two schooling options at Haskayne;

- **Formal Option** – Full-time regular education within statutory guidelines (*normal registration codes*)
- **Flexi-School Option*** – Flexi-schooled education, where the child comes on agreed days, wears school uniform and joins in with the timetabled opportunities for that day

Guidance on the Registration of Attendance and our interpretation and use of current coding structure

Parents and Professionals should note that the marking of an attendance register is a statutory requirement; however, the marking system used to define the type of attendance is non-statutory. We are seeking a review of the coding structure.

Introduction, Integration and General Attendance

Initial meeting

We arrange an initial meeting to ensure that the new child/children and parent(s) understand the clear need for a partnership between parents, children, and school.

The integration of Flexi-schooled pupils within the school community

Our timetable is organised so that children who are Flexi-schooled can continue follow-up work after attending what we term the three 'Core Days' of Tuesday, Wednesday and Thursday.

All children have access to the full curriculum.

We recommend to parents that their child or children should attend the school on a trial basis in the first instance, before registering; this approach will allow our Headteacher in conjunction with staff to determine if a Flexi-schooling approach will benefit the child or children concerned. The trial will be for one week (three core days) unless a longer time is deemed necessary.

If a child is accepted on roll to attend on the flexi-school basis, parents need to be aware that they are fully responsible for the Safeguarding and Child Protection elements relating to their child when away from the school and being Home Educated. This extends to Education provided by a 3rd party arranged by the

parent/carer/responsible adult. These responsibilities pass to the school only when the child attends normal lessons or attends academic visits arranged by the school with our staff present.

Our Academic day begins with Registration at **8.55am** and ends at **3.15pm**.

Within this timeframe we have the following breaks;

- **Morning break** – 10.30am to 10.40am
- **Dinner** - 12.00pm to 1.00pm

We are not able to vary start times, as this disrupts lessons already in progress. All children are expected to arrive promptly for the start of the morning/afternoon sessions; subject to one-off extenuating situations, i.e. medical appointments, accidents etc. All sickness events require that the parents notify the school.

Lateness is recorded in the same fashion as with formal attendance patterns; parents need to be aware that persistent lateness could lead to the revocation of the Flexi-school arrangement and a requirement to then attend full time; no return to Flexi-schooling will be permitted.

Timetable

Each class teacher is aware of the children who are going to attend on a given day and lessons are planned to accommodate all children.

In all cases, lessons are differentiated so that they can be accessed at different levels, with children encouraged to preview or review the topic at home.

Strategies for Teaching and Learning

Our Strategies for Teaching and Learning are organised on a subject by subject basis, within a 'Creative Curriculum' framework.

Liability

For activities beyond the sole care and charge of teaching staff, the parents/carers of flexi-schooled pupils are fully responsible for their child or children when they are educated at home (or at their chosen offsite venue), even when completing assigned class work. Activities/visits arranged by parents/carers in the same vein are also covered by the same parental responsibility (*please see our Flexi-school Memorandum of Understanding*).

Safeguarding and Child Protection

Unless there are extenuating circumstances, we need to see children at least once every ten days to fulfil our Child Protection and Safeguarding obligations these are agreed by a parent/carer signing our MoU (*see also our Safeguarding and Child Protection Policy*).

As with all children, we have a statutory duty to inform our local Child Protection and Safeguarding officers if any child presents with unusual injuries, or discloses any information that requires their involvement; and then to co-operate fully with any investigations, or follow up actions they deem necessary.

Memorandum of Understanding for the Provision of Flexi-schooling (MoU)

Parents choosing to Flexi-school their child or children are required to sign our **Memorandum of Understanding for the Provision of Flexi-schooling (MoU)**. This document sets out the roles and responsibilities of all parties involved in educating their children. It also focuses on the school's responsibilities for Safeguarding and Child Protection (Please read in conjunction with our Safeguarding and Child Protection Policy).

Parents need to be aware that by choosing to Flexi-school their child or children, that they are therefore accepting that they alone are responsible for any future legal redress their child or children may seek.

The MoU also indicates the **core attendance** requirement of three (3) days, **Tuesday, Wednesday, and Thursday**. These days/attendance patterns are not negotiable* (***see comment on exceptional circumstances**).

A Flexi-school place is offered in the same manner as those for Full-time children, so both Monday and Friday are available in addition to the core days if parents and their children wish.

It is extremely important for the parents to be able to share samples of work carried out at home and the Memorandum of Understanding reflects this.

Based on these discussions an initial personal learning plan is drawn up covering academic or social/emotional learning goals. Parents can request review meetings to discuss progress.

To ensure that effective integration takes place we require all Flexi-schooled children to wear the school uniform as worn by all of the other children

If parents have philosophical or other objections to any form of assessment, a way forward will need to be discussed with the Headteacher that allows the school to meet its statutory obligations.

For those parents who do not object to assessment, regular feedback will be provided regarding their child.

Our eLearning products can allow children to;

- View or read lesson materials
- Be offered additional tasks
- Play interactive games that give the school feedback on their progress across a range of subjects, including.
 - Mathematics
 - Literacy
 - Coding

Parents can have access to;

- Long and medium term plans
- access work at a suitable level for their child
- contribute to their child's assessment through uploading work
- access records and assessments on their child
- possible access to a variety of additional tools and materials that may be too expensive or unavailable to them when outside the normal mainstream education system

In addition to the above, we will also offer Education Workshops to share experience and develop new ideas.

Recommended Reading

We strongly recommend that parents considering Flexi-schooling review and develop an understanding of how our school operates and delivers our offer to them on behalf of their child or children.
