Dear Parents & Carers

Due to an increase in parental positive tests for Coronavirus we are asking that everybody, over the age of eleven, wears a mask on entry to the school playground when dropping off and collecting children. We also ask everyone to wear a mask in the school reception area and that we have only two people at a time in that very small space!

We understand that some people are exempt from wearing a mask and that everyone is courteous to anybody not wearing a mask.

If you have any questions or concerns regarding this, please do not hesitate to contact us.

Thank you again for your continued support.

Mrs Hains
