[Oak National Academy Full Curriculum Overview](#)

The *Oak National Academy* is a government-backed online learning platform that launched on Monday 20

April. <https://www.thenational.academy/>

The new enterprise has been created by 40 teachers from some of the leading schools across England and is funded by the Department of Education.

The Academy provides access to 180 video lessons per week, for every year group from Reception through to Year 10.

The lessons span a broad range of subjects, including maths, art and languages, and feature a corresponding quiz and worksheet.

In the event of a Lockdown, Mrs Gibson and Miss Stokes will timetable weekly lessons for your child. Each lesson lasts for one hour we will provide the equivalent of three hours of lessons per day for primary students which can be accessed from the website.

A weekly timetable will be emailed to you and published on our school website.

An example timetable follows. Work completed may be emailed to class teachers for feedback. mrsgibson@haskayne.lancs.sch.uk

head@haskayne.lancs.sch.uk

Year Group	Maths	English	Foundation
Reception	Daily routine Days of the week Time and seasons Measuring short pieces of time Investigating number combinations within 20	Little Red Riding hood-story map and writing	Birthday card Birthday cake

In addition to Oak Academy lessons, we will also be sending home White Rose Maths Home-learning booklets, appropriate for your child's level of learning and progress.

These booklets compliment the lessons and learning style the children receive here at Downholland Haskayne CE Primary School.

Every lesson comes with a short video showing you clearly and simply how to help your child complete the activity successfully. You can access the videos by logging on to: <https://whiterosemaths.com/homelearning/>
