

PSHE & RSE consultation

Governors consulted 26/3/25. No issues with consultation. Questions whether school would be using anatomical names for genitals. Head teacher confirmed that we were.

27/3/25 Parent Consultation

Question around how mixed age classes would have content delivered?

A= Mixed age classes would be separated for relevant parts of RSE curriculum.

Question = How would the innocence of children be preserved when teaching sex education?

A= All content is age appropriate and considered. When conception concepts are taught parent are informed.
