

Downholland Haskayne CE Primary School

Governance Statement 2018-19

The Governing body of Downholland Haskayne CE Primary School plays a crucial role in the life and work of our school. Governors make decisions about many aspects of the school, including the curriculum, staffing and finance.

Strategic functions of the governing body are:

1. Ensuring clarity of vision, ethos and strategic direction
2. Holding the Headteacher to account for the education performance of the school and its pupils
3. Overseeing the financial performance of the school and making sure its money is well spent

Elected Parent Representatives	Miss Sophie Tams	Elected by parents	29 November 2018	28 November 2022

Attendance Recorded

If governors do not attend meetings they cannot contribute to discussions or decision making. As some governing bodies have only 12 members attendance is important to remain 'quorate' that is the number of governors needed to ensure that legal decisions can be made. The Dfe Governor's Handbook (2.4.4) states that the quorum for governing body meetings is one half of the membership of the governing body, not including any vacant positions.

Chair's overview

Downholland Haskayne CE Primary School is a good school

A good school is effective in delivering outcomes that provide well for all its pupils' needs. Pupils are well prepared for the next stage of their education, training or employment. Safeguarding is good. The safety and welfare of our pupils is the responsibility of all staff and all staff are involved in it. Our appointment procedures are robust, with appropriate clearance sought. Our systems and procedures are updated to ensure we are compliant. Training is provided annually. All aspects of ground and perimeter safety, of e-safety and safeguarding procedures are checked annually. KCSiE 2016 has been the focus of a staff meeting and Governors meeting since its publication.

The curriculum is all the planned activities that we organise in order to promote learning and personal growth and development. It includes not only the formal requirements of the National Curriculum, but also the range of extra-curricular activities that the school organises in order to enrich the experience of the children. It also includes the 'hidden curriculum', or what the children learn from the way they are treated and expected to behave. We aim to teach children how to grow into positive, responsible people, who can work and co-operate with others while developing knowledge and skills, so that they achieve their true potential.

What's next for 2018-19

The school improvement plan outlines the areas for development within the school. This is tied to appraisal and data within the school.

Governors ensure that the highest standards of school are maintained and that the resources are deployed to ensure they are cost effective and the impact of spending is monitored by our committees. The governors meet termly to evaluate school standards and ensure that the needs of the children are met.
