## Family support offered by Lancashire County Council

### Community hubs

Community hubs have been created in each district across Lancashire to coordinate support and help which is available for those in need. You can find details of local [community hubs on the council website](#).

### Welfare Rights Service

During the coronavirus pandemic, any resident in the Lancashire County Council area with significant financial difficulties who have been unable to sort out their benefit problems can email [wrsocovid@lancashire.gov.uk](mailto:wrsocovid@lancashire.gov.uk) with their query. Please note this is a temporary service offer which could be restricted or extended at any time, subject to demand.

There is also a [financial support guide on the council website](#) with information about help families may be able to get during the current crisis.

### WiFi and data

The [BT 'Lockdown Learning' support scheme](#) offers unlimited free mobile data to those EE and BT Mobile customers eligible for the [Department for Education's Get Help with Technology programme](#).

### Free school meals

M&S will give extra support to families by funding an additional £5 per week for every £15 lunch voucher redeemed at M&S via the Government's free school meal scheme.

Have a lovely half term,  
Mrs Hains & all the staff

## Bake Off

What a tasty time we have enjoyed. We have been so impressed by all the children's creations. Mrs Hains could not pick a winner because you are all winners in our eyes.

Thank you to all the home schoolers for sending in pictures of all your lovely home bakes and a big thank you to all the staff for making such a happy time.

The CBBC Team would like to inform you, that they have made an exciting revamp to the [CBBC YouTube Channel](#), which you may be interested in for entertainment at half term and outside of home-schooling hours.
