Well done to the children for taking part in the Race for Life. Many of them carried on running even after their 20 laps.

Thank you for all your donations.
To date, we have raised £278.00.

Keep our Sea Plastic Free

You may recall some time ago that the children collected plastic bottle tops. Thanks to the help of Mrs Milewski-Jones these bottle tops have been made into a lovely display.

Decking

The work on replacing the decking is starting next week and hopefully it should be finished in time for the start of Forest School on 13th May.

Football

Please can I thank our families for understanding that, due to its popularity, the girls' football club, run by Miss Vanroose is full to capacity. She is as disappointed as you are about this and is trying to start an additional club soon. School will let you know when there are any further details. I would like to thank her for her dedication and for doing much of this voluntarily.

Please remember children need to bring their reading books and homework books into school each day,

Have a lovely weekend,
Mrs Hains & all the staff

Star of the week

We have awarded our KS1 Star of the week award to IMC and our KS2 award to SK
Well done!
