Uniform

The Nursery & Reception children are having fun in the outdoor play area, playing with water and making mud, getting very wet and dirty.

For ease, please could all nursery and reception children come to school in track suits and bring a spare change of clothes which can be kept in school.

Race for Life

At the end of last term the children ran 20 laps of the school field to raise money for Cancer Research.

Our school raised the fantastic amount of £480.00

Well done

Swimming

On Wednesday 21st September the junior children will be starting their swimming lessons. They will need to bring to school:

- Swimming costume or trunks
(No bikini's or baggy swimming shorts)
- Swimming Cap
- Goggles
- Towel

We do not have any swimming caps at school so these will need to be purchased in advance.

Dinner Money

Due to the ever increasing rise in food costs it is necessary for us to increase the cost of our school meals from £10.00 per week to £10.50 per week with effect from 3rd October. This still represents great value for money and is still considerably below Lancashire Caterings recommended price.

Food Allergies

We have had a visit from Lancashire Catering Services this week who have advised us that they can only provide a special menu for children with allergies and intolerances if they have been medically diagnosed and can provide evidence such as a letter from the GP or hospital.

Further information and policies can be found on Lancashire Catering Services website.
