Today we have to say goodbye to Miss Moorhead. She has been a fantastic member of our team and she will be missed very much. We all wish her lots of luck and I know she will have a fabulous teaching career ahead of her.

Well done to the children who have been working hard in class. Acorn Class have impressed Mrs Gibson with their Maths and Topic work this week. Oak Class have impressed Miss Moorhead with their learning and questioning in their History work.

As we approach the end of the school year, it is important to prepare children for change, whether it be a small or a big change. We have already started our Reception induction; Mrs Gibson held the meeting this week for parents. As a nurturing staff, we all know the children very well and we will ensure a smooth transition for September.

Thought for the day..... *Education is the most powerful weapon you can use to change the world*

As the weather is, finally, getting warmer, please send your child with a sun hat and apply sun cream. The children are playing out on the school field at lunch times so please ensure they are wearing suitable footwear.
