## Christmas Production

Unfortunately, due to COVID restrictions we are unable to have a live performance of Lights, Camel, Action for parents. We are hoping to video the performance and put it on our website for you all to see.

My name is Miss Stelfox and I am a student teacher in my third year placement at Edge Hill University, with a specialism in science and the Early Years Foundation Stage. I am really looking forward to working with Acorn Class for the next 10 weeks, helping your children to reach their full potential.

## On-line safety

To help parents to keep children safe online we have subscribed to an online safety newsletter which is produced monthly by Knowsley City Learning Centre. Attached is December and January's newsletters and each month we will forward you a copy, the newsletters will also be available on the school website under Online Safety in the parents section. A Parental Control Booklet has also been supplied by Knowsley City Learning, please have a look at this on the website.

## Parking

Please can you be courteous to our neighbours when parking your car to drop off and collect children from school; as they are finding it difficult to reverse out of their drives when cars are parked opposite.

Thank you

School will close at 1.15pm, after a normal school dinner, on Friday 18<sup>th</sup> December for the Christmas Holidays. There will be no after school care (ARC) on this day. Back to school on Monday 4<sup>th</sup> January 2021.

Have a lovely weekend,  
Mrs Hains & all the staff

## Recycle 4 School

Recycle for school is a free fundraising scheme, which helps us to raise funds through textile recycling, (Further details attached)

We thought if you have a 'clear out' over the Christmas Holidays you could then bring your bags into school on 15<sup>th</sup> January, when they will be collected. Please help yourself to some bin bags from the reception area.

## Christmas Raffle

Please support the school and buy some raffle tickets.

Prizes include:

Vouchers, Harrods  
Teddy & some adult drinks!

## Bulbs for Forest School

The Friends of Haskayne School are continuing their ground project in the Forest School area and are looking for donations of bulbs to plant. If you would like to make a donation, please place these in the box in the reception area.

Thank you.

## **Great News!!**

We are a 'Sugar Wise' School

Please bear this in mind when you are making packed lunches. We have children with nut allergies in school so we are also a nut free school.
