

# RE Round-Up: Spring

Here is a summary of what our RE learning has looked like throughout the school this term. This has included learning about stories from the Bible, learning about the Easter story, and thinking about Jesus' experiences in Jerusalem.

We have also been exploring the themes of Belonging, Beginnings and Endings and Gifts and Giving and using the religious ideas we have been learning about to develop our understanding of these concepts.

## Reception

In Reception, we have been learning about the Easter story and how it links to Spring and the ideas of Beginnings and Endings. We have been learning all about what happened when Jesus was in Jerusalem at Easter. We have been discussing the story, and also about whether endings are always a bad thing, and how they can sometimes lead to something better!

Reception also had a lovely visit from a parent to tell us all about Ramadan!

"When Jesus came they were waving branches"

"Two men arrested Jesus because they were jealous that he was getting all the love"

## Year 1

In Year 1, we have been learning about lots of Christian stories, such as Jesus Calming the Storm, and the Easter story. We have been thinking about how Jesus was thought about by his friends (Disciples) and how important people are treated in today's world. We have also been recreating the Easter story in Continuous Provision.

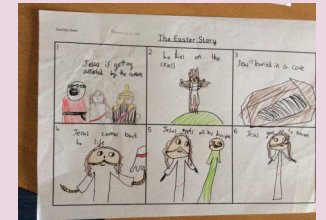

"We are learning about Jesus, and how to be kind".

"We have learned about special people, like Jesus, angels and nuns!".

## Year 2

In Year 2 we have been recalling the events and significance of the Easter story. We have been exploring Jesus's purpose on Earth and what Christians thought about his sacrifice. We have been learning that making sacrifices is sometimes necessary in the pursuit of doing good.

"Sacrifice is like, I didn't want to do this, but I did it to make people happy".

"Not everyone is kind. The Roman's were jealous of Jesus and wanted the power, so Jesus died on the cross"

## Whole School

In the whole school, we have been thinking about RE in our assemblies, especially when we are singing. Everyone in the school has been learning the song 'Easter Jubilation', and we even got to sing it with the Downs Junior's Choir when they visited the school! We are all looking forward to our Easter Holiday!
