

PSHE, including RSHE Curriculum Map for Brighton & Hove Primary Schools 2020 (adapted for Downs Infant School)

This curriculum map is based on the DfE statutory guidance for Primary Relationships and Health Education and the PSHE Association Programme of Study and supports schools to meet the duties in the Equality 2010 on promoting equality and challenging prejudice. The map outlines how you can cover the KS1 learning outcomes and is grouped into topics some of which fit with SEAL (Social Emotional Aspects of Learning) themes. The number of lessons needed to cover topics is based on one PSHE lesson per week. Where there are B&H PSHE Team resources provided for Brighton & Hove schools this is indicated on the map and these can be downloaded from BEEM <https://www.beem.org.uk/>

The order of PSHE topics has been planned around key events of the school year, for example new starts, Anti-Bullying and Equality Calendar events such as Anti-bullying week, Black History, Gypsy Roma Traveller and LGBT History months.

Some sensitive topics, such as Loss and RSHE are placed towards the end of a year when class relationships are more established. Schools may want to change the order of some topics to make the PSHE Curriculum bespoke to their school context. It may also be helpful to consider where the PSHE learning outcomes could be taught alongside related RE, science, DT (food) ,PE, geography, history & ICT(Online safety) as detailed in the DfE Statutory Guidance.
