

Wow! What a fab-u-lous end to the term! All year groups were able to perform in person to their families, and created a very special Christmas spirit for us all. Thank you, parents and carers, for your support while all of this was very uncertain, and while we entered uncharted territory with our outdoor and evening performances.

I know Christmas isn't always an easy time for everyone, and if you are concerned about a child or family, you can find support and advice here <https://www.brighton-hove.gov.uk/families-children-and-learning/front-door-families/help-and-support-families> .
