

## Downs Infant School

### PE Funding Report 2019-20

This report outlines the funding received by the school in the academic year 2019 - 20, and how it has been spent or planned to be spent to develop the PE and sport activities Downs Infant School already offers and engage pupils in more regular physical activity.

There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

In 2019-20 the school received £18,395 of sports funding. There was a carry forward of £5,820 from the previous year.

## Actions for 2019-20 Budget Income £18,395

Aim	Activities to be undertaken	Indicator area	Resource	Impact/monitoring	Sustainability and next steps	COVID-19 Impact
<p>To ensure progression in teaching games so that children have the skills to participate in all aspects of team games and sports as they are introduced to them.</p>	<p>INSET or other training for teachers to develop confidence and skills for teaching games.</p>	<p>3 and possibly 5</p>	<p>Time for PE coordinator to meet with adviser and re-work planning. Buy in support for teachers for staff development. Cost of programme: £2,700</p> <p>Time for PE coordinator to meet with adviser and re-work planning. Buy in support for teachers for staff development. Approx. £1,200 in supply costs.</p>	<p>After a successful year using Real PE, staff confidence in using the plans and resources has improved and there is variety across lessons, and consistency between year group classes in PE teaching. Move forward with becoming a Legacy school which will include programmes for gymnastics, dance, play and foundations.</p>	<p>As part of the package, the PE Coordinator accesses 3 training days which will support her leadership of PE. Impact will need to be monitored next year and beyond. By training all teachers and investing in training the new PE coordinator this will be a sustainable programme. Next steps: roll out home learning of PE to parents/carers, train support staff for outdoor games/activities.</p>	<p>Training will have to be carried out virtually for PE coordinator.</p> <p>Training for support staff can happen in person in line with school's risk assessment</p>

<p>To ensure that all resources are in good condition and there are sufficient so that all children can be active at playtimes.</p>	<p>Audit and update play equipment and purchase more if needed.</p>	<p>1 and 4</p>	<p>During COVID, class bags of PE equipment were purchased to ensure there were plenty of activities that children could use safely (not cross contaminated) £2470</p>	<p>Children are active in every playtime.</p>	<p>Playtime equipment will need to be checked by adults in that bubble and a note made when equipment needs replacing.</p>	<p>COVID meant the equipment needed to be purchased, can be used for the long term.</p>
<p>To allow children to understand 'competition' in the context of personal challenges and PBs.</p>	<p>Raise the profile of the daily mile. Support to One Running Movement cumulative half marathon.</p>	<p>1,2</p>	<p>£1780 (£12 per child) to run in the final mile at Withdean, plus the resources for the previous 12 miles.</p>	<p>Daily mile or equivalent is now carried out by all KS1 and EYFS teachers. Children were motivated by the 'challenge' element and this was important in embedding the 'Downs Daily Dash'. Knowledge that these daily miles would add up to a half marathon to be completed at a stadium.</p>	<p>Due to COVID-19 this did not take place. We may be able to defer our places to run in 2021 at no detriment.</p>	<p>Event did not take place in 2020.</p>

For the school to have a benchmark and goal so that we can set high expectations for pupils' sporting achievements.	Apply for the Quality Start Award.	All		We achieved a Bronze Award and now have a plan in place for working towards Silver. Working for this has highlighted our strengths and encouraged us to work on our less well established areas. Applying for this supported the handover to the new PE coordinator.	Work for the Silver Award.	
For all children to have appropriate, safe equipment for use in PE lessons and to support teaching of Jasmine PE	Audit current equipment and storage. Order new equipment.	1 and 4	Equipment from TTS: £1952.45  Benches (continental benches, 12.3.20): £793	Equipment needs to be safely available so all children have the opportunity to participate in a wide variety of physical activities. Monitor use of Real PE in lessons, and ensure equipment is for PE only.	This will need to be ongoing as equipment needs replacing. Safer storage and use only at timetabled PE times should help the equipment last.	None
To ensure Reception children have access to resources which	Audit and update physical Friday resources and purchase more if needed.	1 and 4	£793 benches for outside use (gross motor skills)	All children are active during physical Friday.	This will need to be a rolling programme. Auditing use will help plan and budget	None

promote their physical wellbeing and development.						
To ensure that the playground surface and environment provides a safe and encouraging context for children to try out and develop their physical skills.	Research options for the top playground in consultation with the council regarding any planned resurfacing work.	1	It was noted last year that there needed to be some remedial works at least to the safety surface under the climbing frame. £12,800 although a significant proportion of this will be claimed back from the council.	Top playground is now being used for more active games in more weather conditions as flooding is no longer an issue. No tripping accidents reported from the lobster. Playground was used for football at the school fair.	Ensure that any further developments are funded from capital funding, not sports. (This was planned prior to the most recent guidance).	None
<b>Total</b>			<b>£10,895.45</b>			

**Actions for 2020-21 Budget Income Est. £18,000 plus carry forward of £1,602.19**

<b>Aim</b>	<b>Activities to be undertaken</b>	<b>Indicator area</b>	<b>Resource</b>	<b>Impact/monitoring</b>	<b>Sustainability and next steps</b>
To provide opportunities for inter-school competition in a range of new sports.	To organise a multiskills mini-tournament with other local infant schools and Primary schools.	3, 4, 5	Cost of transport and specialists if available. Coach £240, supply £330 – <i>for each competition.</i>	Infant children will have the opportunity to compete against other schools in friendly competition.	Will be a regular event across the infant schools.
To provide opportunities for intra-school competitions.	Organise mini-competitions within the school.	1, 2, 5	Cost of supply for teachers to plan and organise events. £165 for each event.	Children will gain a better understanding of competition, sportsmanship and personal best.	Maintain as part of regular school diet.
To use the daily mile to support the understanding of a personal best.	Organise various daily challenges.	1, 5	Cost of trophies and prizes to reward competitions and a trophy cabinet (approx.. £300).	Children will gain a better understanding of competition, sportsmanship and personal best.	Will keep the daily mile fresh and interesting for pupils.
To provide a greater range of sports opportunities at playtimes and increase the amount of physical activities on offer.	Develop a staffing structure to support this including training for MDSAs. Provide sufficient resources.	1, 2, 4	Training for MDSAs (£800). Provide sufficient resources (£500). Additional MDSA Hours (£3,000).	Behaviour at playtimes will improve. Children will become fitter and the requirements for activity will be met.	Continue to review activities and how many children engage. Are there any groups who don't engage?

Approx. £8,000 Budgeted assuming approx. 3-4 sports competitions per year.

Continue to explore other options for active playtimes such as Activall (£12,000).
