

Red Nose Day is back on Friday 19th March!

This year it's never felt more important to have some fun and raise money to support people living incredibly tough lives so we are having a day of SMILES!

The children can come to school dressed in 'something that makes them happy' and we will be doing activities in class looking at things that make us smile and things we can do to make others smile.

We are also holding a joke competition and are asking pupils to bring their favourite joke into school to share with their friends. Each class will decide on their top three winning jokes and these will be put together into a Dowson joke book which the children can buy for 10p-all proceeds will go to Comic Relief.

We will not be selling noses in school this year. If children do bring them into school on this day, they must not swap with other children and you may wish to initial or name your child's red nose for obvious reasons during these times.

We are not asking for £1 for a dress down pass this year due to the current circumstances but any voluntary contributions towards Comic Relief will be gratefully appreciated.

Can we ask that the children have sensible shoes and an outdoor coat and no football kits please. If a child plays for a sporting team, then they can wear their team kit on the day; dressing up outfits, and pyjamas are also fine if wearing that is 'what makes you happy',
