Dear Parents and Carers,

From September 2019 Dowson Primary Academy will be offering a wide range of courses for parents and carers and we are gathering your views on what you might find most useful in order for us to make this offer as relevant as possible to our parents.

The courses are free, relaxed, non-judgemental and extremely useful. The feedback from the courses run previously has been fantastic.

If you are interested please complete the table below and return it to school before July 10th.

After this parent consultation period we will send out details of the courses with dates and times, which you will then be able to reserve your place.

Please indicate which course(s) you are interested in and what time of day is most convenient.
