Key Worker children:

Key worker hours will remain as 8:30 – 4pm. This is a full time offer from Monday and Mrs Bradley has contacted you to check whether you would like to take up this offer.

From Monday 22nd June, we also ask that these children are in school by the latest 9am when the last of the other children arrive and should be picked up no earlier than 3:10 when the first groups start to leave. This is due to the interruption of the school day that intermittent drop offs and pick ups cause and that this will no longer be safe to manage with increasing numbers. We thank you for your understanding.

Nursery Key worker children should go to Nursery door from Monday

All other Key Worker children should go to the door they have been using recently until they start in their new groups when the rest of their year groups return.

Finally – don't forget your Dowson hug!

Look forward to seeing you all next week.
