

24th October 2019

Dear Parent/Carer,

The school photographer will be in school on Friday 8th November to take Individual Photos of the children.

If you would also like brothers and sisters, including siblings not in school, to be taken as a family group please take them to the Lower School Library from 8.15am and then take your children into school as usual.

If your child/children attend breakfast club and you would like a family group taken please indicate this on the slip below and we will facilitate these photographs on your behalf.

Yours sincerely,

Mrs K Thornburn
Principal.
