Dear Parents and Carers,

We are proud to launch our 'Lockdown Library' today!

Whilst the country has been in lockdown many of us have been inundated with emails and marketing releases full of advice on how to look after ourselves during these very different times.

We have had huge amounts of materials shared with school and we have selected some to create a LOCKDOWN LIBRARY for parents to access on our school website. This way you are not bombarded by a constant stream of information and suggestions from us and everything is in one easily accessible place so you can find what YOU need and WHEN you need it.

Visit our website at www.dowson.tameside.sch.uk
