Homework & Learning at Home

Homework

We ask that all parents and carers spend time talking and supporting your child with their homework learning.

Reading

Children are asked to read every day (10-20 mins) to their parents or carer and record this in a Reading Record Book which will be sent home. In Key Stage One, physical books will be sent home alongside the Reading Planet online programme. In Key Stage Two, we will be introducing the Rising Stars 'Reading Planet Online' platform. This allows us to set and monitor reading at home. Prizes are won by the children according to the number of times they have read at home.

Year Group	Homework tasks
