Is your class reading percentage higher or lower than last week?

Our behaviour for learning focus this week has been on developing outstanding etiquette around school. The children have been focusing on showing their respect to their peers and adults. I have seen many children stopping to hold doors open for others and remembering their manners when asking for things.

Parents of children who are starting school in September will be receiving a letter in the next few days. I would like to extend a very warm welcome to all these families, old and new. The second half of the summer term will be busy with transition sessions so your children have an opportunity to meet our EYFS team, their new friends and become familiar with their classrooms. This should support a positive start for them all in September. We are looking forward to meeting everyone.

As part of our continued climate action planning work, all classes have been busy planting seeds this week. These seeds are currently germinating on classroom window sills and will be transplanted later on in the term into some new class planters. Keep your eyes open in the playground for things appearing which we hope will attract pollinating insects, provide some edibles for the school kitchen as well as making our outside space look more attractive. A huge thank you goes to Emma who has been busy gathering all of the resources together to get this up and running.

It's Honey's 3rd Birthday on Thursday. Miss Parkinson will share birthday pictures on Dojo of her celebrating her special day.

Is your class attendance higher or lower than last week?

In the corridors and around school demonstrating outstanding etiquette, you will see us:

- Wonderful Walking
- Holding doors open – letting others through a doorway before walking through yourself
- Greeting people politely – say ‘Good Morning/Good Afternoon’
- Look at the person speaking to you
- Using ‘please’ when asking for something
- Using ‘thank you’ and showing gratitude when somebody does something nice for you
- Standing aside to let people past
- Being mindful of other learners around us
- Going back to our classrooms as soon as possible

You won't see us...

- Talking loudly
- Being silly in the corridors
- Wandering around or wasting learning time

We would love to see every class rolling the Classopoly dice next week!

## Safeguarding/Outreach (239950 option 3)

Children have been receiving WOW badges for active journeys to school.

In April they will need to complete 2 active journeys a week instead of one to be rewarded a badge at the end of the month.

Please support your children to walk to school whenever possible or use Asda carpark to reduce parking congestion around school.
