

HEADLINES

The school council and some of our keen environmentalists from KS2 visited Eco Town on Tuesday. We were amazed to see how every bit of rubbish that is disposed of by households is sorted, repurposed and recycled. By doing this, all household rubbish is kept out of landfill sites and is used in productive ways that are kinder on the environment. During our visit they spoke about the danger of disposing batteries in household rubbish as this can cause fires during the recycling process. We have a battery recycling tube in school for anyone wanting to dispose of any used batteries safely. Please bring them in and drop them off at the office.

A huge thank you to everyone who donated money to the 'Bog-eyed Jog'. We have raised just over £2100. A huge Well done to Tommy in Redwood who raised £90, Harry-George in Acorn who raised £135 and to Harry and Jack who between them raised £240. We are so pleased with everyone's donations and are very grateful to Miss Pierce for organising this very successful event.

We have waved off the Year 6 children and staff who are spending the weekend at PGL. It looks like the sun may be back for the weekend too so I'm sure they will all make the most of the outdoor activities that are planned. We are all looking forward to hearing about it on Monday.

A huge thank you to Ian from Druhm Cardio who returned to school at the start of the week for more energetic drumming sessions with classes across school.

Finally, a reminder that we are hoping to complete our rescheduled KS1, Reception and Acorn class sports day on Wednesday morning. Parents are welcome to attend.
