READING PERCENTAGES

No reading percentages this week

We are very proud to have been chosen as the school to be custodians of the Myles Standish Garden at Duxbury Golf Course for the next 12 months. Mrs Robinson and Emma accompanied members of the Green Team to a special picnic lunch last Friday where we were presented with the Myles Standish Memorial Spade by Sir Lindsay Hoyle. Duke Street will help to maintain the garden over the next 12 months. If any keen gardeners would like to get involved in helping to support the Green Team in maintaining this space, please contact Emma in our Outreach team.

Over the next 12 months we will be looking at how our school impacts the environment and how we can make changes to reduce our school's carbon footprint. One area we have identified as being 20% of our carbon footprint is through uniform purchases. To help us tackle this, we have set up a free pre loved uniform station in the playground. We would love for all our families to take away any items of uniform you can make use of and help us start to reduce our carbon footprint in this area. If have uniform at home that is clean and in good condition, that you no longer need, please bring this in so we can pass it on to someone else.

We would love to see every class rolling the Classopoly dice next week!

Safeguarding/Outreach

It takes a community to raise a child and we all have a responsibility to look out for the children in our area. If you see or hear anything that worries you school is a good place to come for support and guidance.
