

Parent Conduct Policy

2025-26

We are very fortunate to have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents/carers will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

1. Purpose and Scope

At Duke Street Primary School, we believe it's important to:

- Work in partnership with parents to support their child's learning
- Create a safe, respectful and inclusive environment for pupils, staff and parents
- Model appropriate behaviour for our pupils at all times
- Uphold and promote our values of Community and Empathy

To help us do this, we set clear expectations and guidelines on behaviour for all members of our community. This includes staff (through the staff code of conduct) and pupils (through our behaviour policy).

This code of conduct aims to help the school work together with parents by setting guidelines on appropriate behaviour.

We use the term 'parents' to refer to:

- Anyone with parental responsibility for a pupil.
- Anyone caring for a child (such as grandparents or child-minders).

2. Our expectations of parents and carers

We expect parents, carers and other visitors to:

- Respect the ethos, vision and values of our school
- Work together with staff in the best interests of our pupils
- Treat all members of the school community with respect – setting a good example with speech and behaviour
- Seek a peaceful solution to all issues
- Correct their own child's behaviour (or those in their care), particularly in public, where it could lead to conflict, aggression or unsafe conduct
- Approach the appropriate member of school staff to help resolve any issues of concern

3. Behaviour that will not be tolerated

- Disrupting, or threatening to disrupt, school operations (including events on the school grounds, in the community such as school trips or sports team matches)
- Swearing, or using offensive language
- Displaying a temper, or shouting at members of staff, pupils or other parents

- Threatening another member of the school community
- Sending abusive messages to another member of the school community, including via text, email or social media
- Posting defamatory, offensive or derogatory comments about the school, its staff or any member of its community, on social media platforms
- Use of physical punishment against your child while on school premises
- Any aggressive behaviour (including verbally or in writing) towards any child or adult
- Disciplining another person's child – please bring any behaviour incidents to a member of staff's attention
- Smoking (including vapes) or drinking alcohol on the school premises
- Possessing or taking drugs (including legal highs)
- Bringing dogs onto the school premises (other than guide dogs)

4. Incidents in the Community

We expect that all parents and carers promote positive relationships within the community and that children have the ability to access good examples of conflict resolution with others from the adults who care for them. In the event of aggressive or threatening behaviour from adults outside of the school premises, we stress the importance of contacting community agencies with a specialism to support and maintain safety for all involved. This includes local police, Community Police or Lancashire County Council for advice and assistance.

5. Breaching the code of conduct

If the school suspects, or becomes aware, that a parent has breached the code of conduct, we will gather information from those involved and communicate to the parent about the incident.

Depending on the nature of the incident, the school may then:

- Send a warning letter to the parent
- Invite the parent in to school to meet with a senior member of staff or the Co-Headteacher
- Contact the appropriate authorities (in cases of criminal behaviour or Child Protection concerns)
- Seek advice from the school's legal team regarding further action (in cases of conduct that may be libellous or slanderous)
- Using the Lancashire Legal Team where necessary, ban the parent from the school site
- The school will always respond to an incident in a proportional way. The final decision for how to respond to breaches of the code of conduct rests with the Co-Headteacher and governing body.
