Head Lines

What a great day of weather we had on Wednesday for our annual Sports Day events. Thank you to all the parents who attended the morning and afternoon sessions. We hope you enjoyed it as much as the children and staff did. A big thank you goes to Mr Allen for his hard work organising the event. Well done to all the children who took part and to our amazing Year 6 pupils who helped out with the KS1 event whilst also entertained the crowd with their dance routines.

The children have enjoyed another enrichment day today which has focused on 'Compassion'. They have taken part in a range of activities involving seed planting, drawing and painting of flowers and craft activities. I'm sure they will be able to tell you all about this.

You should have received a letter today containing information about our Art of Brilliance summer term homework activities. Please send any photos to class teachers if you are happy for them to be shared on our social media feeds.
