Summer Holiday Preview Task

In September, Key Stage 1 are going to be looking at 'London' as our topic. We will be exploring London, the location of where it is, seas and oceans surrounding the UK, and famous landmarks.

In order for your child to gain an advantage in their learning we are asking that they do some research about London over the summer. This may include pictures, fun facts, information on famous people who live in London, famous buildings, history of London, books found, or songs. We will leave it up to you to decide how this is presented. It may be a box of goodies, poster, collage or leaflet, the possibilities are endless!

A piece of homework should include at least 3 facts about 'London' and 3 questions about what the children would like to learn during this topic.

We hope that you enjoy this venture with your child.

Homework should be back in school by Monday 2nd September 2019.

Thank you

The KS1 Team
