Greetings to the staff and children at Duke Street Primary School,

Chorley Help the Homeless would like to say a very big thank you for your cheque donation of **£100**. This has been a challenging year where you may not have been able to do things the same way as usual, so we are very grateful for your continued support.

Our Food Bank has become one of our main projects as a charity this year due to the way the Covid-19 pandemic has affected individuals and families financially. As well as providing regular food parcels to the homeless and vulnerable, we are also making sure that families have food during school half-terms, and we also have a scheme for people to get fresh food from Chorley Market stalls with vouchers. We will keep doing everything we can as a food bank and housing advice service in the run up to Christmas, as the pandemic continues to make life harder for the financially vulnerable.

Once again, on behalf of the charity and the vulnerable and homeless people of Chorley, thank you very much.

Very best regards,

Gavin Clayton
