READING PERCENTAGES

No Reading Percentages this week.

Happy New School Year to everyone. I hope that you had a lovely time over the summer break. The children have embraced coming back into school and have been quickly adapting to being back in their new classes.

We have been really pleased to see the effort being made by pupils to arrive in school on time every day. Thank you so much for your support with this. It really makes a difference to your child's academic progress and their social & emotional development. You should have all received our attendance leaflet via parent mail this week. There is further information in there about the importance of regular attendance.

The children have been really pleased to have Honey in the building. She has been meeting and greeting the children at the start and end of the school day. She has also been visiting classes. She is having such a positive impact already on the children's wellbeing.

We have also welcomed our new reception children into school this week. They have enjoyed having a special brunch with their new Y6 buddies. We look forward to them joining us full time next week.
