READING PERCENTAGES

No Reading Percentages this week.

We have been busy this week developing leadership roles in the children. In addition to the new Y6 buddies, we have had meetings with the Maths and English Ambassadors who are now busy preparing for new lunchtime clubs and activities in the playground. Mr Allen has sent out Playground PALs application forms to pupils in Y4 and Y5. The selected pupils will be completing training in the coming weeks. We also have a new team of My Happy Mind Ambassadors and Mr McGuinness is looking for Science Ambassadors too.

Meet the teacher sessions will be taking place just before the end of the school day next Monday, Tuesday and Wednesday. Please refer to the parent mail sent out with specific details relevant to your child class. We hope the sessions will give you the key information needed about your child's work in school as well as an opportunity to speak to their new teacher.

We will be supporting the Jeans for Genes charity next week with a non-uniform day on Friday for a £1 donation. In addition to the non-uniform day, we also have Will Hussey joining us in school to review the work we have completed as part of our Art of Brilliance project. The children may want to wear a top with any positive affirmations on for this day if they have one.
