

Football Match Reports, W/C 11th October

Year 7

4-2 W v St John's

A closer game than previous weeks however DJ played some great football and were on the front foot throughout the game. Johnston controlled the midfield which allowed the side to score four well worked goals, scored by Zack, Ethan and Will.

Year 8

8-0 W v St John's

Another good performance as Johnston played St John's off the park with some fantastic attacking football. The DJ goalkeeper was barely required as 4 goals either side of half time secured a big win.

7-1 W v St Robert's

Durham continued their winning streak as they comprehensively beat St Robert's on Friday. Johnston dominated possession throughout the entire game and scored some really well worked team goals. The goal conceded was merely a consolation and was a minor blip in an otherwise faultless performance. Special mention to Henry Bartlett who scored a hat trick.

Year 10

7-0 W v St John's

DJ scored early on and carried the momentum all the way through the first half, scoring another 3 resulting in a comfortable lead at half time. The second half was no different and Durham managed to see out the game, keep a clean sheet and score 3 more goals to end the game 7-0. Goals were scored by Harry Stewart (2), Louis Brown, Quinn Morton, Sam Harkness, Thomas Harvey and Ben Sampson.

Year 11

1-2 L v Mortimer

Our Year 10s' journey in the National Cup came to an end after a tight game against Mortimer School resulted in a loss, despite starting the game well. Durham had some great chances to go ahead, hitting the post on multiple occasions, however found themselves behind at the break. DJ were once again by far the better side in the second half, but again struggled to make the most of big chances and once Mortimer got their second goal any chance of getting something out of the game looked bleak. A goal from Durham made it 2-1 but frustratingly the side couldn't find an equaliser.
