

Football Match Reports, W/C 13th September

Year 7

3-2 W v Staindrop

An early goal from Alfie set the tone for the game and allowed for a series of big chances for DJ and eventually a second goal was put away by Zach. Staindrop shocked the team early in the second half making the score 2-2 and leading to a very cagey end to the game. Johnston kept the ball well during this time though and eventually won the game through Alfie's second of the game.

Year 8

13-1 W v Staindrop

An absolutely dominant performance from our Year 8 team was never in doubt, hardly losing possession during the first half and scoring 5 without reply before half time. Johnston kept the good work up with some more free flowing attacking football throughout the second half. Johnston's press was outstanding, reducing the time the opposition had on the ball to a minimum, winning the ball at almost every opportunity and this certainly helped the team to score 8 more goals in the second half. In the dying minutes of the game Staindrop managed to grab a consolation to make the score 13-1. Special mention to Ethan Hill who scored a marvellous hat trick.

10-0 W v Greenfield

Very easy fixture for Johnston who once again dominated possession and made countless goal scoring opportunities – the score could have been much worse for Greenfield. Another hat trick for Ethan Hill.

Year 9

10-0 W v Greenfield

The side hardly broke a sweat in this fixture. DJ were constantly on the attack, one goal from Felix followed by three hat tricks scored by Dom, Cole and Josh securing the 10-0 victory.

Year 10

3-2 W v Staindrop

First half, Johnston played the ball around the park well, playing out from the back and creating at least 3 chances that should have resulted in goals but a great performance from the Staindrop goalkeeper kept the score to 0-0 going into half time. Second half, there was some good build up play from DJ which led to a goal and almost immediately the lead was doubled from a corner. However, two sloppy defensive errors led to two Staindrop goals and the game was tight until 10 minutes to go when Durham scored the winner.

Year 11

4-0 W v Staindrop

Staindrop started the game with a very high defensive line which led to an abundance of through balls and finally one paid off with Zach slotting the ball past the goalkeeper. The second goal wasn't long after with Umar crossing the ball from the right and Zach pouncing to make it 2-0. The third came just before half time when Zach pulled the ball back to Kye on the penalty spot and he never looked like missing. Only one goal was scored in the second half but it was an absolute beauty. Great passing play got the ball to Quinn on the edge of the box and he curled it past the keeper and perfectly into the top bin. Quinn received Man of the Match for his excellent strike and a clean sheet.
