- **Year 12** – are you checking your subject Teams regularly? If not – build this into your working day / week.
- **PSHE – Gaps?** If you feel you have gaps or just want more information – please complete the survey emailed on Friday (Mrs Lennon). "PSHE (personal, social, health and economic) education is a school curriculum subject through which pupils develop the knowledge, skills and attributes they need to manage their lives, now and in the future. PSHE education helps pupils to stay healthy, safe and prepared for life – and work – in modern Britain." Mindful that you may have missed some important PSHE support throughout the past 2 years, due to lockdown etc. We want to make sure that while you are with us in Sixth Form, we can fill these gaps by adding onto our established Sixth Form programme - appropriate for young adults, with increased independence - getting ready for independent living.
- **Year 13 – Oxbridge / Medics** – remember our internal deadline for completion / submission of forms is **6<sup>th</sup> October** – if there is a barrier to submission – come and ask for help. **Special (Personal Statement) support sessions – with Mr Wilbraham – SFA 8.20am and 2.45pm – Tuesday.**
- **Year 13:**
  - Mock exams last week – as results come in – consider what you need to do to achieve the grades required for your first / preferred university course – and act on it.
  - PHE restarts this week - A.
- **Year 12 assembly this week** – Black History Month - <https://www.blackhistorymonth.org.uk/>
