Thought for the week

Perseverance, secret of all triumphs. Victor Hugo

- **Mock Exams – Year 13** – This week and next. Be prompt, with all equipment – morning exams start 8.30am and afternoon exams start 12.45pm. Water bottles must be clear, with no labels. **The results of these exams will inform your university FIRM and INSURANCE choices.**
- **Year 12 – PHE (Preparation for Higher Education) lessons continues THIS WEEK (for A>). Show – don't tell – some opportunities we have discussed in PHE:**
 - [Explore Online Course Subjects from FutureLearn - FutureLearn](#)
 - [AQA | Project qualifications | Level 3 Extended Project Qualification | Introduction](#)
- **REVISION PROGRAMME. A level and AS levels.** You should have started your revision programme by now – look at module spread – how much time will you need to allocate for each module? Build up a revision timetable and stick to it. Still stuck? See Mrs Lennon if unsure how to get started. **TIP:** - if you are unsure about subject work – ask your subject teachers – they have many years of experience regarding what makes a successful A level student.
- **Paid Work** – in the run up to the exams – you are advised to suspend or greatly reduce part time employment – the opportunity cost of any time spent working is exam preparation. The AS grades you get will hugely influence your university options. The A levels you get will determine whether you get your chosen university place and will be on your CV for the rest of your life.
- Follow up questions from **National Apprenticeship Week**. [How they work \(apprenticeships.gov.uk\)](http://apprenticeships.gov.uk) – **Come to the SF office with any questions about these alternative routes.**
