

## Year 10 Science drop in revision

Science will be running revision drop in sessions in **MA8** on a **Tuesday and Wednesday** **afterschool 2:45-3:45** in the run up to the year 10 exams.

You can complete your own revision, bring in question or problems where you have found difficulty when revising at home or ask for exam question examples to complete knowing science staff will be available to help you.

**All year 10 students are welcome.**
