Dear Parents and Carers,

I am writing to confirm the dates and times for Information and Advice Evenings that are being held by our local Schools and Colleges later this term. A copy of this letter will be available within the Friday Bulletin on the school website.

It is your child's responsibility to ensure they have secured options for post 16 careers, and they must be encouraged to consider these early in this academic year. Applications will be taken at these events for enrolment in September 2022 and will ensure that your child has options to consider after their exam results. They can make multiple applications and should consider their Plan B choices. On the reverse of this letter there is a timeline of key dates for Yr11 (also shows the key dates for their cohort from end of Yr10).
