- **Year 13 – POD.** The Pod is an excellent resource, for the use of Year 13 students – to support their NEA work. There is a very strict code of conduct regarding its use: **no food or drink (even water), only for schoolwork use, the door must remain open, and a quiet (not silent) working environment** - especially as it is in a high footfall area (opposite staff room). Additionally, you should only be in there for computer work. Don’t leave yourself logged on if you leave the Pod.
