

# THIS WEEK

## 12<sup>th</sup> December 2022

### Consolidation during Christmas break

1. Use this week to ensure you know how to make the most out of the Christmas break. **Year 13 – when you come back in January – it is the year you leave school and embark on university study / employment.** **Year 12 – this is the year you see if you have stepped up to Advanced Level study – exams on your return – starting Monday 9<sup>th</sup> January 2023.** Make sure you are not complacent – use the break to consolidate the work done this term – and you will almost certainly find next term more manageable and achieve better AS & A level results.
2. **Get the balance right – build in rest and time with family and friends.**

- **Year 13 – UCAS – internal deadline – passed. Come to SF Office with any queries.**
- **Student Cost of Living Guide** – tips / support at university? Read this: [SBT2486-AccessHE-Cost-of-Living-Guide-v3-DIGITAL.pdf](#)
- **Cathedral Service** – no bags in Cathedral – so no bags to school Friday.
