Sixth Form Notices

10th October 2022

Monday is World Mental Health Day. To raise awareness of this issue that is important to every single person – we invite you to wear something yellow on Monday this week. If you don't have any yellow clothing, you can get a badge / ribbon from the Sixth Form Office. Donations will go to Young Minds.

- **Community Matters** – than you for contributing so willingly and effectively at our recent Open Evenings.

Playing football outside is great – fresh air, exercise – wellbeing. However – bringing mud into the school building isn't great. Clean your shoes or bring an alternative pair to change into please.

- **SOCIETIES: continue this week** – have a look – get involved – participate – opportunity to develop some really important key skills and have a good time, with good company too). Check emails and there's a copy on SFO window. If you are interested in organising a student-led society, email Mrs Nixon.
- **Year 13 – Oxbridge / Medics** – liaise with your referee – check your emails regularly – hard external deadline this Friday. **If you are going for early entry and haven't been emailed by Mrs Lennon or Mr Wilbraham – speak to us as a matter of urgency.**
- **Year 12 students interested in Oxford / Cambridge** – see recent email from Mr Wilbraham for details of a meeting.
- **Tell your Form Reps** – What questions do you want to ask? What projects do you want us to undertake this year? – Sixth Form Committee (#3) **next** Thursday.
- **Year 13 – POD.** The Pod is an excellent resource, for the use of Year 13 students – to support their NEA work. There is a very strict code of conduct regarding its use: **no food or drink (even water), only for schoolwork use, the door must remain open, and a quiet (not silent) working environment** - especially as it is in a high footfall area (opposite staff room). Additionally, you should only be in there for computer work. Don't leave yourself logged on if you leave the Pod.
